1. GENERAL

- 1.1. These financial regulations govern the conduct of financial management by the council and may only be amended or varied by resolution of the council. Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders and any individual financial regulations relating to contracts.
- 1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.
- 1.3. The council's accounting control systems must include measures:
 - for the timely production of accounts;
 - that provide for the safe and efficient safeguarding of public money;
 - to prevent and detect inaccuracy and fraud; and
 - identifying the duties of officers.
- 1.4. These financial regulations demonstrate how the council meets these responsibilities and requirements.
- 1.5. At least once a year, prior to approving the Annual Governance Statement, the council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.
- 1.6. Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.
- 1.7. Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.
- 1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council. The Clerk has been appointed as RFO for this council and these regulations will apply accordingly.
- 1.9. The RFO;
 - acts under the policy direction of the council;

- administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;
 - determines on behalf of the council its accounting records and accounting control systems;
 - ensures the accounting control systems are observed;
 - maintains the accounting records of the council up to date in accordance with proper practices;
 - assists the council to secure economy, efficiency and effectiveness in the use of its resources; and
 - produces financial management information as required by the council.
- 1.10. The accounting records determined by the RFO shall be sufficient to show and explain the council's transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the council from time to time comply with the Accounts and Audit Regulations.
- 1.11. The accounting records determined by the RFO shall in particular contain:
- entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
 - a record of the assets and liabilities of the council; and
 - wherever relevant, a record of the council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.
- 1.12. The accounting control systems determined by the RFO shall include:
- procedures to ensure that the financial transactions of the council are recorded as soon as reasonably practicable and as accurately and reasonably as possible;
 - procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct any lost records;
 - identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers in relation to significant transactions;
 - procedures to ensure that uncollectable amounts, including any bad debts are not submitted to the council for approval to be written off except with the approval of the RFO and that the approvals are shown in the accounting records; and

- measures to ensure that risk is properly managed.

1.13. The council is not empowered by these Regulations or otherwise to delegate certain specified decisions. In particular any decision regarding:

- setting the final budget or the precept (council tax requirement);
- approving accounting statements;
- approving an annual governance statement;
- borrowing;
- writing off bad debts;

1.15. In these financial regulations, references to the Accounts and Audit Regulations or 'the regulations' shall mean the regulations issued under the provisions of section 27 of the Audit Commission Act 1998, or any superseding legislation, and then in force unless otherwise specified.

In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners' Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).

2. ACCOUNTING AND AUDIT (INTERNAL AND EXTERNAL)

2.1. All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations, appropriate guidance and proper practices.

- 2.2. On a regular basis, at least once in each quarter, and at each financial year end, a member who is not a cheque signatory shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign the reconciliations and the original bank statements (or similar document) as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the Council.
- 2.3. The RFO shall complete the annual statement of accounts, annual report, and any related documents of the council contained in the Annual Return (as specified in proper practices) as soon as practicable after the end of the financial year and having certified the accounts shall submit them and report thereon to the council within the timescales set by the Accounts and Audit Regulations.
- 2.4. The council shall ensure that there is an adequate and effective system of internal audit of its accounting records, and of its system of internal control in accordance with proper practices. Any officer or member of the council shall make available such documents and records as appear to the council to be necessary for the purpose of the audit and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary for that purpose.
- 2.5. The internal auditor shall be appointed by and shall carry out the work in relation to internal controls required by the council in accordance with proper practices.
- 2.6. The internal auditor shall:
- be competent and independent of the financial operations of the council;
 - report to council in writing, or in person, on a regular basis with a minimum of one annual written report during each financial year;
 - to demonstrate competence, objectivity and independence, be free from any actual or perceived conflicts of interest, including those arising from family relationships; and
 - have no involvement in the financial decision making, management or control of the council.
- 2.7. Internal or external auditors may not under any circumstances:
- perform any operational duties for the council;
 - initiate or approve accounting transactions; or
 - direct the activities of any council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.
- 2.8. For the avoidance of doubt, in relation to internal audit the terms 'independent' and 'independence' shall have the same meaning as is described in proper practices.

- 2.9. The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and statements of account required by Audit Commission Act 1998, or any superseding legislation, and the Accounts and Audit Regulations.
- 2.10. The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

3. ANNUAL ESTIMATES (BUDGET) AND FORWARD PLANNING

- 3.1. Each committee shall review its annual forecast of revenue and capital receipts and payments. Having regard to the forecast, it shall thereafter formulate and submit proposals for the following financial year to the Policy, Finance and General Purposes Committee not later than the end of November each year including any proposals for revising the forecast.
- 3.2. The RFO must each year, by no later than November, prepare detailed estimates of all receipts and payments including the use of reserves and all sources of funding for the following financial year in the form of a budget to be considered by the relevant committee and the council.
- 3.3. The council shall fix the precept (council tax requirement), and relevant basic amount of council tax to be levied for the ensuing financial year not later than by the end of January each year. The RFO shall issue the precept to the billing authority and shall supply each member with a copy of the approved annual budget.
- 3.4. The approved annual budget shall form the basis of financial control for the ensuing year.

4. BUDGETARY CONTROL AND AUTHORITY TO SPEND

- 4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:
- a duly delegated committee of the council for items over £500;
 - the Clerk, for any items below £500.

Such authority is to be evidenced by a minute or by an authorisation slip duly signed by the Clerk.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

Commented [C-IPC1]: This is the recommended wording in NALC Model Regs. It is not practical for the this be also signed by the appropriate Chairman, Suggest deleting the words , and where necessary also by the appropriate Chairman.

- 4.2. No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the council, or duly delegated committee. During the budget year and with the approval of council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate ('virement').
- 4.3. Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year unless placed in an earmarked reserve by resolution of the council.
- 4.4. The salary budgets are to be reviewed at least annually in November for the following financial year and such review shall be evidenced by a hard copy schedule signed by the Clerk and the Chairman of Council or relevant committee. The RFO will inform committees of any changes impacting on their budget requirement for the coming year in good time.
- 4.5. In cases of extreme risk to the delivery of council services, the clerk may authorise revenue expenditure on behalf of the council which in the clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £2,500. The Clerk shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter.
- 4.6. No expenditure shall be authorised in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the council is satisfied that the necessary funds are available and the requisite borrowing approval has been obtained.
- 4.7. All capital works shall be administered in accordance with the council's standing orders and financial regulations relating to contracts.

4A EARMARKED RESERVES

- 4A1 With reference to 3.5 above, all earmarked reserves shall be reconsidered during each financial year, to ascertain that either progress towards purchase or redirection to another use has been agreed by Policy, Finance & General Purposes committee, and subsequently by Full Council
- 4A2 Where spending against agreed earmarked reserves occurs in any one financial year, that amount of money should be transferred as both an 'income' and a subsequent 'spend' to the relevant area of the committee responsible for that spend. This will ensure that budget levels do not show overspends where they have not occurred in reality.

4B SUPPLEMENTARY ESTIMATES

- 4B1 Notwithstanding the provisions made for the Clerk within 4.5 above, in certain circumstances, it may be necessary for committees to action emergency or unplanned spends which may not have been budgeted for, and which do not occur in earmarked reserves.
- 4B2 The process to be adopted will be as follows:-

Financial Regulations Version 2.0

- a) The Clerk will produce a full report to the relevant spending committee outlining what the requirement is for, together with reasons, process, costings, and estimates (if appropriate).
- b) The committee will debate and deliberate. Any recommendation for the 'supplementary spend' will be a recommendation ONLY to the Policy, Finance and General Purposes Committee.
- c) The Policy, Finance and General Purposes Committee is authorised to allocate the relevant sum of extra spending power to that committee from General reserves to cover the service committee's request. Such action is then to be reported to Full Council.

5. BANKING ARRANGEMENTS AND AUTHORISATION OF PAYMENTS

- 5.1. The council's banking arrangements, including the bank mandate, shall be made by the RFO and approved by the council; banking arrangements may not be delegated to a committee. They shall be regularly reviewed for safety and efficiency.
- 5.2. The Accounts Assistant shall prepare a detailed schedule of payments by Bankers Automated Clearance System (BACS), with the relevant supporting documentation attached. The Clerk/RFO shall sign the schedule for compliance, followed by authorisation by two Councillors who are serving bank signatories. Authorisation for payment will be indicated by the signature of all three persons on the face of the schedule and will indicate that the schedule has been agreed to the supporting **documentation**. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of a contract of employment) may be summarised to remove public access to any personal information.
- 5.3. All invoices for payment shall be examined, verified and certified by the RFO to confirm that the work, goods or services to which each invoice relates has been received, carried out, examined and represents expenditure previously approved by the council.
- 5.4. The RFO shall examine invoices for arithmetical accuracy and analyse them to the appropriate expenditure heading. The RFO shall take all steps to process for payment all invoices submitted, and which are in order, and present these for noting to the next available council meeting.
- 5.5. In the light of the repeal of s150 (5) of the LGA 1972, internet/telephone banking is now permitted. The RFO will still require two signatures PRIOR to the movement of funds. The first signatory will sign the list of due payments and initial each line accordingly. The second signatory will do likewise. On the addition of the second signatory, the Councils appointed external accountant will action the internet transfers.
- 5.6. The Clerk and RFO shall have delegated authority to authorise the payment of items only in the following circumstances:
 - a) fund transfers within the councils banking arrangements up to the sum of £10,000, provided that a list of such payments shall be submitted to the next appropriate meeting of council or finance **committee**.

Commented [C-IPC2]: This change also addresses the concerns expressed by the Internal Auditor on the authorisation of payments.

Commented [C-IPC3]: Paragraph above, formally (a) now deleted is not relevant to IPC because payments are processed without reference to the Council. Payments are made in accordance with 5.2 above and presented to Council for noting

- 5.7. In respect of grants a duly authorised committee shall approve expenditure within any limits set by council and in accordance with any policy statement approved by council. Any Revenue or Capital Grant in excess of £5,000 shall before payment, be subject to ratification by resolution of the council.
- 5.8. Members are subject to the Code of Conduct that has been adopted by the council and shall comply with the Code and Standing Orders when a decision to authorise or instruct payment is made in respect of a matter in which they have a disclosable pecuniary or other interest, unless a dispensation has been granted.
- 5.9. The council will aim to rotate the duties of members in these Regulations so that onerous duties are shared out as evenly as possible over time.

- 6.4. Cheques for payment drawn on the bank account in accordance with the schedule as presented to council or committee shall be signed by two members of council and countersigned by the Clerk in accordance with a resolution instructing that payment. This envelope may not be opened other than in the presence of two other councillors. After the envelope has been opened, in any circumstances, the PIN and / or passwords shall be changed as soon as practicable. - 6.13. Access to any internet banking accounts will be directly to the access page (which may be saved under "favourites"), and not through a search engine or e-mail link. Remembered or saved passwords facilities must not be used on any computer used for council banking work. Breach of this Regulation will be treated as a very serious matter under these regulations.

- 6.15. Any Debit Card issued for use will be specifically restricted to the Chair and Clerk and RFO and will also be restricted to a single transaction maximum value of £500 unless authorised by council or finance committee in writing before any order is placed.

Commented [C-IPC4]: The paragraph 6.8 (now deleted) replicates 6.7 and has therefore been removed

Commented [C-IPC5]: Cllr Matthews comments: This is new and will need to be worked through – does this only apply to financial records does it apply to all staff? At the moment our IT provider changes the passwords and the data is stored in the cloud rather than on a PC!
My understanding is this only relates to payments made on-line

Commented [C-IPC6]: This is new

Any financial arrangement which does not require formal borrowing approval from the Secretary of State/Welsh Assembly Government (such as Hire Purchase or Leasing of tangible assets) shall be subject to approval by the full council. Commented [C-IPC7]: This is an interesting clause and requires the Council to specify what power it applied in spending money, e.g Section 137 LGA 1974 or Misc Provisions Act 1976. I would leave it in although it is very difficult to enact!

11. CONTRACTS

11.1. Procedures as to contracts are laid down as follows:

- a. Every contract shall comply with these financial regulations, and no exceptions shall be made otherwise than in an emergency provided that this regulation need not apply to contracts which relate to items (i) to (vi) below:

- f. All sealed tenders shall be opened at the same time on the prescribed date by the Clerk in the presence of at least one member of council.
