## Comments

I have a young family who use all the above regularly.

My nearest retail facilities are in Thornbridge Road. As I'm disabled I'm unable to walk to the. I have to drive everywhere. There are no disabled parking spaces. I have to drive elsewhere.

REGULAR MEETINGS AND CARERS GROUP. BOOKS AND INFORMATION.

Iver Childrens Centre extreamly useful too.

Library as a source of information as well as books. Also provides a focus for other small groups.

Why can there not be more things during the evening, like a rock choir or drama or classes for flower arranging or crafts or fashion shows that we used to have. Monthly quiz nights would be good or race nights. There is no social aspects in Iver anymore

Halls are both important places to allow local groups to get together like minded souls for recreation

I rarely use other community facilities (e.g. Richings Park Sports & Social Club, Iver Village Hall): I don't know whether that's my fault or theirs, but I believe they are important to have in the community - though what I perceive as a lack of "glue" holding the community together is, I feel, a problem.

The open green areas as they are firstly beautiful when maintained, and my children love them

## Irrelevant

To be honest We as a family don't use any facilities in Iver there is no swimming pool my son goes to a gym in Uxbridge and we shop online. The rec is used occasionally but is covered in dog poo so that puts us off. We go to Uxbridge for Drama classes and use the pool in Hillingdon or Langley. The local coop is handy but only occasionally if we run out of milk. There are not many facilities ion Iver! The play grounds in other areas are much better kept we tend to go into windsor and use the play ground there. The village hall is noisy and as we live right opposite is a bit of a nuisance. There is no library but we would not use on anyway as all books can be read online we see the van but have never bothered to use it as no need! The village could be so much better if it was less noisy and polluted.

*(So why not move???)*

Everham Centre not to be turned back into school.

Would like to see more appropriate facilities. R. Park a waste.
