

The Ivers Parish Council

Responses to Neighbourhood questions

			Blanks	Yes	No	Other	Total
Question	1	Do you think Green Belt policies should remain in place to protect the countryside between existing built-up areas	19	347	26	20	412
Question	2	If you think some development of Green Belt land should be considered, please say what type of development and whereabouts within the Parish	91	112	151	58	412
Question	3	Do you support development on Iver Heath Fields or do you want to see this land retained as public open space within the Green Belt? Please explain the reasons for your answer	37	23	318	34	412
Question	4	Which open spaces in and immediately around The Ivers are important to you and why? Eg. for cycling, walking, fishing, boating	52	0	0	360	412
Question	5	Do you know of any land in The Ivers that you think could be used, or better used, as public open space or for public recreation? If so, please specify	143	105	146	18	412
Question	6	Are there any existing public open spaces that are not well used and could be used for development? If so, which ones and what type of development would be appropriate?	143	60	189	20	412
Question	7	Would you support planning policies to require new development in or around Iver Village, Iver Heath and Richings Park to reflect the existing character of those built-up areas? Please provide comments on the elements of character you consider important (eg. building design, layout, open spaces) and specify the areas	65	210	102	35	412
Question	8	Would you support planning policies to require new residential development to provide green spaces free from car parking?	74	170	92	76	412
Question	9	Are there any buildings, structures or gardens in The Ivers that are not already listed historic assets that you would like to see on a local list and protected by planning policies? If so, please specify exactly which buildings or other features and their location.	184	68	137	23	412
Question	10	Do you support the greater use and enforcement of Tree Preservation Orders (TPOs) and planning conditions to ensure appropriate tree planting and aftercare on new developments?	43	335	16	18	412
Question	11	Would you support planning policies that encouraged new or additional shops in appropriate locations throughout The Ivers?	29	223	127	33	412
Question	12	Are there existing shops that you consider offer a vital service to the community? If so, please specify.	55	330	18	9	412
Question	13	Are there areas of The Ivers where a community shop is needed to serve local residents? If so, please say where.	172	56	118	66	412
Question	14	Do you have any other comments about retail provision in The Ivers and how future development may provide appropriate shops	127	194	67	24	412
Question	15	Which existing community facilities are most important to you and why?	55	0	1	356	412

Question	16	Are there significant community facilities that do not exist in The Ivers and that we should try to provide for?	135	213	53	11	412
Question	17	Where and how do you think that community facilities currently missing should be provided? With particular regard to the proposed Parish Council community hub	179	0	48	185	412
Question	18	Where do you think new housing in The Ivers should be located, and why?	88	0	87	237	412
Question	19	Are there parts of The Ivers where new housing should NOT be sited? If so, where and why?	92	298	14	8	412
Question	20	Do you think some of the brownfield (previously developed) sites in The Ivers should be considered for residential or mixed use redevelopment in preference to building housing on greenfield land?	77	282	35	18	412
Question	21	Please comment on any particular concerns you may have about housing in The Ivers or preferences you have about the type of new housing that should be provided and where it should be located.	103	0	13	296	412
Question	22	Housing developers can be required to provide new infrastructure or other community benefits in order to make their developments more acceptable in planning terms. Which, if any, new infrastructure or additional community benefits do you think are most needed in The Ivers?	109	0	34	269	412
Question	23	Should new housing development include a network of footpaths and cyclepaths to provide easy access to shops and local services, good connections with public transport and integrated with existing public rights of way?	66	306	22	18	412
Question	24	How do you think parking should be provided in new housing developments?	82	47	11	272	412
Question	25	In consultations on its emerging local plan, Slough Borough Council is considering asking South Bucks District Council to agree to land within Iver Parish (just to the west of Richings Park) to be allocated for housing as part of a new 'garden suburb' extension of Slough. The land in question is within the Green Belt and also part of the Colne Valley Park. Please comment on this proposal, whether or not you consider it acceptable and, if so, what conditions or constraints should apply? If you consider this unacceptable, please say why?	61	291	21	39	412
Question	26	Is the amount of traffic in The Ivers of concern to you? If it is, please say what concerns you most, and name any specific sites, roads or areas.	36	367	5	4	412
Question	27	Do you have any suggestions as to how the amount of traffic through The Ivers could be managed more effectively or the impacts reduced?	61	323	13	15	412
Question	28	Do you have any general comments about the current industrial use of any of these sites? Please say to which sites your comments refer.	132	206	63	11	412
Question	29	Again with reference to a specific site or sites, do you think they should continue as industrial sites or be redeveloped?	149	2	5	256	412
Question	30	What type of redevelopment of these sites would you support?	167	0	13	232	412

Question	31	Would you like to see the redevelopment of Iver High Street, and if so what sort of facilities, services and features would you support? Please comment freely on how you would like to see this area redeveloped.	84	276	39	13	412
Question	32	Approximately how often do you use the old Evreham school premises for its adult education / nursery / sport and leisure facilities, and which of those facilities do you use?	76	168	167	1	412
Question	33	If the Evreham premises were redeveloped, would you like to see the existing facilities retained within The Ivers and if so where?	146	165	5	96	412
Question	34	Would you support the redevelopment of the Evreham site for a new secondary school or any other use? Please specify what other use.	63	237	52	60	412
