Dear Mrs Stephanie Bennett

Thank you for your request for information received on 09 February 2021 concerning To be provided all feasibility studies, reports, calculations and officer opinions relating to a relief road being referred to as Iver Relief Road.

I am writing to ask you to clarify your request. I have been in contact with the service and they are currently working on providing the information for this, but due to the large amount of information captured within the terms of your request for 'all' information held, they have asked if you could refine the request to specify a particular date range, and if you are able to specify particular documents or reports you are interested in receiving?

Once you have clarified your request, I will be able to progress your request. If we do not hear from you within one month then I shall take it that you do not wish to pursue this request and will consider the request closed.

On 1 April 2020, the new Buckinghamshire Council replaced the five former councils in Buckinghamshire (Aylesbury Vale District Council, Buckinghamshire County Council, Chiltern District Council, South Bucks District Council and Wycombe District Council).

All local government services previously provided by the former councils have now transferred to the new council.

If you need assistance with this, please contact me.

Yours sincerely,

Amy Roscoe

FOI Officer
