1	i agree that all local community facilities should not be developed on , after all if we are building more homes , the new people into the area will need these facilities , however we could possible improve on vital facilities , doctors surgeries , community centres , iver flower land has been the hub for the community , especially the elderly , often in walking distance , somewhere to grab a cup of tea and cake to share with a friend , shop for clothing and groceries , appreciated even more because of covid and not being able to have that facility .	2/24/2021 6:59 PM
