Quotation Details

Quotation: #QUO00509

Job Number:

Prepared by: Russell Small

Ref Number: Survey

Date: 22/12/2020

Description

Emergency Lights Install - Following our recent survey there is a requirement to install 5 x emergency strip lights for compliance (LUX levels). Our engineers will install the cable within the loft space (access to loft via hatch in kitchen), some of the existing standard lights will be replaced with new emergency lights and other areas will see new additional light fitted.
