How to use model standing orders

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. These standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

These standing orders do not include financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer.

Notes

Standing orders that are in bold type contain legal and statutory requirements. Standing orders not in bold are designed to help the council operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit the council's needs.

For convenience, the word "councillor" is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

1. Rules of debate at meetings

- a Motions on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the chair of the meeting.
- b A motion (including an amendment) shall not be progressed unless it has been moved and seconded.
- c A motion on the agenda that is not moved by its proposer may be treated by the chair of the meeting as withdrawn.
- d If a motion (including an amendment) has been seconded, it may be withdrawn by the proposer only with the consent of the seconder and the meeting.
- e An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.
- f If an amendment to the original motion is carried, the original motion (as amended) becomes the substantive motion upon which further amendment(s) may be moved.
- g An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the chair of the meeting, is expressed in writing to the chair.
- h A councillor may move an amendment to his own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.
- i If there is more than one amendment to an original or substantive motion, the amendments shall be moved in the order directed by the chair of the meeting.
- j Subject to standing order 1(k), only one amendment shall be moved and debated at a time, the order of which shall be directed by the chair of the meeting.
- k One or more amendments may be discussed together if the chair of the meeting considers this expedient but each amendment shall be voted upon separately.
- l A councillor may not move more than one amendment to an original or substantive motion.
- m The mover of an amendment has no right of reply at the end of debate on it.
- n Where a series of amendments to an original motion are carried, the mover of the original motion shall have a right of reply either at the end of debate on the first amendment or at the very end of debate on the final substantive motion immediately before it is put to the vote.
- o Unless permitted by the chair of the meeting, a councillor may speak once in the debate on a motion except:

- i. to speak on an amendment moved by another councillor;
 - ii. to move or speak on another amendment if the motion has been amended since he last spoke;
 - iii. to make a point of order;
 - iv. to give a personal explanation; or
 - v. to exercise a right of reply.
- p During the debate on a motion, a councillor may interrupt only on a point of order or a personal explanation and the councillor who was interrupted shall stop speaking. A councillor raising a point of order shall identify the standing order which he considers has been breached or specify the other irregularity in the proceedings of the meeting he is concerned by.
- q A point of order shall be decided by the chair of the meeting and his decision shall be final.
- r When a motion is under debate, no other motion shall be moved except:
- i. to amend the motion;
 - ii. to proceed to the next business;
 - iii. to adjourn the debate;
 - iv. to put the motion to a vote;
 - v. to ask a person to be no longer heard or to leave the meeting;
 - vi. to refer a motion to a committee or sub-committee for consideration;
 - vii. to exclude the public and press;
 - viii. to adjourn the meeting; or
 - ix. to suspend particular standing order(s) excepting those which reflect mandatory statutory or legal requirements.
- s Before an original or substantive motion is put to the vote, the chair of the meeting shall be satisfied that the motion has been sufficiently debated and that the mover of the motion under debate has exercised or waived his right of reply.
- t Excluding motions moved under standing order 1(r), the contributions or speeches by a councillor shall relate only to the motion under discussion and shall not exceed 5 minutes without the consent of the chair of the meeting.

2. Disorderly conduct at meetings

- a No person shall obstruct the transaction of business at a meeting or behave

11. NEIGHBOURHOOD PLANNING COMMITTEE (NON STANDING COMMITTEE)

11.1 Background

Through the last four years, discussions have taken place regarding a Neighbourhood Plan for the communities of Iver, Iver Heath and Richings Park. It is the aim of the Parish Council that this process will provide an opportunity to communities to actively influence land use and development, and improvements to infrastructure, as part of the planning processes. The Ivers Parish Council believe that Neighbourhood Planning provides an opportunity to shape future development whilst safeguarding and enhancing what is valued by the community

In November 2016, the Parish Council received agreement for the proposed Neighbourhood Plan to cover the area contained within the whole of the Parish Council boundary.

11.2 Purpose

The committee's purpose is to design, implement and oversee 2 distinct pieces of work:

- The Neighbourhood Plan development process
- Communication, engagement, and training to facilitate the Neighbourhood Plan process.

These two pieces of work, when delivered, will produce the Neighbourhood Development Plan that will then progress to Independent Examination and community referendum. Ultimately the Plan will be adopted by Buckinghamshire Council to sit alongside the Local Plan and other strategic planning documents.

11.3 Principles

The committee is to work to the following principles:

- To undertake the process in a democratic, transparent, and fair fashion, allowing opinions and ideas to be put forward by all.
