Briefly describe the project / purpose for which you require a grant.

A repeat of the 2019 Christmas event with a focus on families. 2022 will be the 4th year of this successful community event.

The last event had party games, santa, Christmas carols, live music and arts and craft. 2019 brought together over 75 families from across Richings Park and the Ivers.

The hire of the sports club is free and where possible we use volunteers with a group of 8 residents organising the event.

How will the project or activities benefit the residents of The Ivers?

Please include estimates of the number of Iver residents that will receive a direct benefit from the project or activities.

Bringing together families across Richings Park and Thorney to help continue to build the local community.

This event has an excellent track record and is fondly remembered. Entry is free however we request that each family brings at least one new gift which we then donate to bucks kids in care Christmas appeal.

We hope the event will engage even more families across the area, creating meaningful bonds and connections across families in the area. Unlike Iver Village and IH children in RP go to multiple schools, so kids and parents don't know each other.

Please provide a breakdown of the costs of your project.

Overall costs £500
Food and drink Children £250
Adults nibbles £150
Arts and crafts £50
Entertainment £50

I attach a copy of our annual accounts.
