

Scout Hut Signs – Iver Recreation Ground

There are currently 4 blank green boards, one to the right of the door and 3 to the left.

The proposal is to have a 'meeting place' sign to the right, and the 3 to the left will be 'Beavers', 'Cubs' and 'Scouts'.

All the signs will be from the Scout Brand centre, so they are all official branding and are designed to be outside.

All signs would measure 80cm x 120cm.
