

Buddy Bench Installation

In March 2022, following a bid submission by the former Clerk, the Parish Council was awarded a grant of £1,650 from the Community Board towards the purchase and installation of 3 'Buddy Benches' within the Parish.

The bid was based on the potential positioning of one bench in main area of the Parish with the Recreation Grounds at Iver & Iver Heath being the point for those areas.

The Deputy Clerk asks for the Committee to consider the positioning of the 3 benches, the colour and to review and approve the quote received so he can progress this project.

Jeremy Day
Deputy Clerk
July 2022
