

HEDGING OUTSIDE 45B HIGH STREET

Appendix 10

The Committee had previously reviewed the Risk Assessment regarding the drop from the raised grass area to pavement previously produced by the Deputy Clerk and agreed that action was required to protect the area by way of hedging. (Minute 543/21)

The Deputy Clerk has contacted for a local horticultural supplier in Iver for indicative costs concerning hedging options per metre to supply and deliver and to supply, deliver and plant.

The costs are as per the attached quote but summarised as below:

30 Metres (This will cover the entire boundary including the 10m strip from the step railings to the edge of SMB Autos)

Portuguese Laurel	£133 per metre (£3,990)
Griselinia Lottoralis	£124 per metre (£3,720)
Common Laurel	£124 per metre (£3,720)
Yew Hedge	£158 per metre (£3,160)

Delivery	£150
Planting	£1,913

20 Metres (coverage of the boundary along the High Street pavement)

Portuguese Laurel	£133 per metre (£2,660)
Griselinia Lottoralis	£124 per metre (£2,480)
Common Laurel	£124 per metre (£)
Yew Hedge	£158 per metre (£4,740)

Delivery	£150
Planting	£1,275 (Estimate based on pro rata of original quoted price)

The Deputy Clerk will provide an oral update of accurate quoted costs for the 20m option at the meeting as well as a quote from Blue Sky Developments for the planting element of the project for both 20m & 30m options.

The meeting is asked to consider the options above and to give the Deputy Clerk direction in terms of the way to proceed.

Jeremy Day
Deputy Clerk

Notes and Assumptions:

TO SUPPLY, DELIVER and PLANT 30 metres of Practical Instant Evergreen Hedge 1.0/1.2m high in Iver High Street.

You are welcome to collect the hedge from our Nursery. PB will load.

FOR DELIVERY ONLY:-

PLEASE NOTE that delivery is to kerbside only. You will be responsible for offloading/planting using suitable manpower/machinery. The delivery vehicle has no lifting gear on board. Delivery by 7.5t transport on 10 pallets.

FOR PLANTING:-

We can supply and install a Drip Feed Irrigation System to the hedge with an Automatic Tap Timer and Tap Splitter for around £7.50 per linear metre.

We can supply protection boarding for Drives, Paths and Lawns for £10 per metre if required.

Client to supply a skip for the spoil or spoil to be spread around planting area.

Please note that the quotation is produced on the assumption that access and site conditions are suitable for this installation.

We would be happy to carry out a site inspection where we can evaluate the access for delivery and installation equipment and also to establish the services present. Further to this, we would offer you a more precise quotation.

The above plants are of the highest quality nursery stock conforming to the British Standard BS3936-1:1992 as a minimum specification. They are offered subject to availability at time of ordering.

We have given you a Trade Discount.
