

## NOTICEBOARD UPDATE

Appendix 11

### 1. Maintenance of existing Noticeboards

- All noticeboards are scheduled to be cleaned (particularly de-cobwebbed) and maintained during November as part of the Maintenance team out of season work
- Magnetic backing and magnetic pins have been purchased to replace the poor felt backing at the Langley Road Shops noticeboard (to be completed by end October 2022). The Maintenance team are looking at the provision of new 'windows' at this noticeboard also.
- A review of the options for magnetic backing at the Richings Park Parish noticeboard is being looked at considering the coverage size required for this noticeboard.

### 2. Provision of Noticeboards – Pavilion – Wall mounted

The Deputy Clerk has investigated the cost of procuring two wall mounted noticeboards ( 2 bay) in a similar style to the noticeboards at Slough Road (Iver Heath) and the Co-op (Iver Heath [one bay]). These are available via Greenbarnes. These are very popular, sturdy and hard wearing boards used extensively by other Parish and Town Council. They are relatively maintenance free. The wall mounted option is suitable to be installed at our pavilions and the bays are locked so that the Parish Council has control of the material within it. The wall mounted noticeboards can be installed by our Maintenance team.

A quote for the cost is attached to this paper.

**The meeting is asked to consider procuring two 2 bay wall mounted noticeboards for the Jubilee Pavilion and the Iver Heath Pavilion at a cost of £2,898.26 ex VAT.**

Budget:

Original Budget	£5,000
Actual spend YTD	<u>£2,387</u> (includes £1,690 to be reclaimed from CB)
	£697
Balance	£4,303

Jeremy Day  
Deputy Clerk  
October 2022

**2-bay, 4 x A4 oak noticeboard (Ref: DN/O)**

Base Price: £1,178.80	Options: £275.85	Total: £1,454.65
