15th November 2022

Dear Louise

Re: Ivers Parish Council
Internal Audit Year Ended 31 March 2023 – Interim Audit report

Executive summary

Following completion of our interim internal audit on 14th November 2022 we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not at the interim audit. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Ivers Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Mark Mulberry of Mulberry & Co. We confirm we are independent from the management of the financial controls and procedures of the council and neither the internal auditor or the firm have any conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Your auditor has over 30 years' experience in the financial sector with the last 20 years specialising in local government finance and internal audit.

Engagement Letter

An engagement letter was previously issued to the council covering the 2022/23 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR. As part of the inherent risk assessment, we have concluded that:

- There have been no reported instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

A. BOOKS OF ACCOUNT

Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

Audit findings

The council continues to use the online AdvantEdge package to record the financial transactions of that of the council. This an industry specific accounting package and the system is used regularly to report and record the financial transactions of the council. The system allows for a PDF copy to be attached to the payments within the system providing a clear document trail to the underlying source documentation. The system also encompasses, sales ledger, purchase ledger and bank. It provides for reconciliation of key control accounts and regular reporting against budget.

There are five access users. The system is cloud based and access is by secure log on to the local machine and a separate password for the cloud system. Passwords are not automatically prompted for change, users have access rights, and the multiple access reduces the inherent risk of the council not being able to access the financial records.

1. Clerk – Full access all areas
2. Deputy Clerk – Full access all areas
3. Business Administrator – Full access all areas
4. Administrator – Sales, purchases and receipts
5. Councillor (Single person) - Full access all areas

Every month, the Business Administrator, produces soft copy reports which are filed in logical order on the “z” drive, hard copy supplier invoices and bank statements are filed in folders in the office. I reviewed the hard copy and soft copy folders and can confirm supplier invoices and bank statements were in evidence.

The system requires the population of key data fields to enable the user to record a transaction with sufficient detail to understand the nature and scope of the transaction. This is a clear and easy to follow system and a review of the system shows that all data fields are being entered, the reports are easy to read and logically filed.

My walk-through audit testing of receipts and payments to underlying documentation chosen at random showed that the referencing system can be relied upon, and that the source documents could be easily located in the council records. I make no recommendation to change in this system.

I tested opening balances as at 1/4/22 and confirmed they could be agreed back to the audited accounts for 2021/22.

The council is not VAT registered and the last VAT reclaim was for year ended 30th September 2022. The return was a refund return for £11,049.22 and I proved the amount shown on the return to the system and to the physical bank statements on the 11th November 2022. This test indicates that the council is up to date with its postings on the financial package and that these can be verified to third party evidence.

B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check the publication & minuting of the prior year audited AGAR and notice of conclusion of audit.

The external auditors report was qualified in 2021/22, on the basis of a missed restatement of the fixed assets value on the AGAR.

The signed AGAR and the notice of conclusion of audit are posted to the council website in accordance with regulations.

This was reported to full council on the 3rd October minute ref 208/22

Confirm by sample testing that councillors sign statutory office forms

I confirmed by sample testing that Councillors sign "Acceptance of Office" forms and register of members interests, in line with regulations. The new councillor pack has a tick box for councillors to agree to receive email, **I would however, recommend that the sample wording below in respect of the receipt of information by electronic means be used and to ensure all councillors are signed up.**

"As per Schedule 12 of the Local Government Act 1972, I consent to the receipt of all council meeting papers by electronic methods. I understand I may withdraw this consent at any time."

Each councillor is listed on the website, with a link to their register of interests and the committees on which they serve. I reviewed the website with the clerk, **and it was noted the lists of committees for each councillor needs to be updated.**

Confirm that the Council is compliant with the GDPR & Accessibility regulations.

The council is aware of GDPR, it was noted the Council has common email addresses internally which gives a natural segregation, so it is clear beyond doubt in what capacity a councillor is acting, gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

Confirm that the Council meets regularly throughout the year

The council meets monthly. There are also a number of committees and working parties which meet as and when necessary to cover specific tasks, each committee has spending powers within their own budget. The committees have terms of reference which were adopted on the 12th May 2022. This is not currently on the website as a separate policy document. **I recommend the committee terms of reference document is posted to the policies page of the website.**

Check that agendas for meetings are published giving 3 clear days' notice.

I can see that at least 3 clear days' notice is given. I did note that the agendas no longer state councillors are summoned to a meeting. **I recommend the agenda is reviewed and the text updated to "summon" councillors to a meeting.**

Check the draft minutes of the last meeting(s) are on the council's website

Minutes are uploaded to the council website, and these agree to signed hard copies.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.

The standing orders are based on the NALC model. These were reviewed in the October 2022 meeting. Minute ref 215/22.

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations.

Financial regulations are based on the NALC model. These are on the agenda for review at the meeting of the 14th November 2022. They were last adopted in September 2021.

Check that the council's Financial Regulations are being routinely followed.

Financial regulation 2.2 deals with bank reconciliations. *FR 2.2 On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chair or an account signatory shall be appointed to verify bank reconciliations (for*

all accounts) produced by the RFO. The member shall sign the reconciliations and the original bank statements (or similar document) as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the council.

The council is performing regular bank reconciliation for all accounts, and these are signed & minuted in accordance with regulations.

Financial regulation 4 deals with budgetary control and authority to spend. *“4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:*

- *the council or delegated committee for all items over £3,500];*
- *the Clerk, in consultation with the budget holding Chair or council/committee for any items greater than £2,000 and less than £3,500;*
- *the Clerk for all items up to £2,000*

Such authority is to be evidenced by a minute and/or by an authorisation of a purchase order by the Clerk.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

4.2. No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the council, or duly delegated committee. During the budget year and with the approval of council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate (‘virement’).”

In conducting our walk-through testing, we reviewed the nominal ledger and agreed that there were no instances of netting off and that transactions were posted to the heading to which they related. We did note a number of items purchased above the relevant thresholds and enquired upon these. All items were either covered by current financial regulations or the temporary scheme of delegation to the clerk (now revoked). We also noted one invoice was annotated with a minute reference of the council authorisation. This should be continued.

Financial Regulation 5 deals with authorisation of payments. The minutes show authorisation of payments lists in accordance with regulations. **I would recommend the total payment being approved be added to the minute wording to prove beyond reasonable doubt the authorised list.**

Confirm all section 137 expenditure meets the guidelines & does not exceed the annual per elector limit of £8.41 (2021: £8.32 per elector.)

The council has no S137 expenditure. The council uses GPC minute ref 11/21.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

The council has a detailed risk management schedules in tabular format. This covers items from business continuity to financial controls. This type of simple reporting lends itself to a council of this size and I make no recommendation to change. I am under no doubt the council manages risk appropriately.

I have confirmed that the Council has a valid insurance certificate. The Council reviews its insurance requirements as part of the renewal process. The council is insured with BHIB/Hiscox. Asset cover seems consistent with the asset register, and money cover is adequate for a council of this size. The certificate is in date.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

I confirmed that the 2022-23 budget and precept setting process was completed and approved by council at the meeting held in December 2021, which is within the timescales set within the financial regulations and submitted its application on time to the precepting authority.

I confirmed the 2023/24 budget setting process was underway at the time of the audit. The first draft shows this will be a deficit budget.

Councillors receive reports on budget against actuals.

In 2021/22 the council made a surplus of £53,195 (2020/21 a surplus of £89,199) at the same time bank and cash balances increased by £20,420 to £330,104. The 30th September 2022 budget report indicates the 2022/23 year end position will be a deficit of circa £65k. This will result in closing reserves of circa £333k.

The council has two classes of reserves, it is therefore anticipated the year end closing balances will be in the region of:

- | | |
|----------------------|-------|
| 1. General | £232k |
| 2. Earmarked inc Cil | £101k |

As council is aware it does not have the power to accumulate general reserves. Rule of thumb calculations suggest that 50% of regular expenditure/precept should be retained in general reserves. At a precept level of £640k, I would expect to see general reserves in the region of £320k. **I am of the opinion the general reserve is a little low for a council of this size and that council should review its reserves in the light of its precept requirement.**

I remind council that earmarked reserves should only be used for genuine projects that have a definable end date and that “generalised” earmarked reserves should be discouraged.

E. INCOME

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

The council has multiple income sources to support the precept, including, grants, allotments, pitch hire, burials and other miscellaneous sources.

A review of the nominal ledger report and cashbooks shows income is clearly recorded with sufficient narrative description to identify the source. There was no evidence of netting off and the income item appears to be posted to the correct heading to which the expenditure related.

I verified the precept to minute evidence – there were no errors and I was able to see via the minutes that council approvals annual charges.

There is no evidence that the council should be VAT registered.

F. PETTY CASH**Internal audit requirement**

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.

Audit findings

The council holds a small petty cash balance below £10. This was checked at the interim date and is immaterial.

G. PAYROLL**Internal audit requirement**

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

The payroll is processed by an external provider. Salary approvals are part of the general payments approval process.

The council has fulfilled its obligations in respect of auto-enrolment and uses LGPS.

I tested the tax deduction and pay scales there were no errors. I am of the opinion salaries are correctly calculated and paid.

I tested the month 7 PAYE and NI Liability and agreed this to a physical payment made. There were no errors, and I can confirm the PAYE and NI liabilities are paid on time.

I also verified the HMRC record and noted there was evidence of an historic short payment of £885.76 dating back to April 2020. **I recommend an exercise is undertaken to reconcile the amounts physically paid, to what was required by the payroll and then what HMRC have on their record. However, the PAYE short payment will need to be paid over and verified with HMRC that the record is then clear.**

All council employees are paid through the payroll for all council work undertaken. No employees are paid separately for any other council work undertaken.

Pay increases are based on the national agreement. Salaries are not pegged to the national scales.

H. ASSETS AND INVESTMENTS**Internal audit requirement**

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

The council has two PWLB loans outstanding. **The closing balance on the AGAR at the 31st March 2022 did not agree to the statement, this should be £581,929. The 2022/23 AGAR comparative balance will need to be restated.**

The Council does not hold any long-term investments i.e. over 1 year. Any addition to the asset register is normally with a cost value greater than £1,000.

The fixed asset register is maintained in AdvantEdge. There was a difference between the hard copy workings, the AdvantEdge system and the AGAR. **The asset register will need to be updated to reconcile back to the signed AGAR. This will be checked at the year end.**

The financial regulations state "FR: 14.6. The RFO shall ensure that an appropriate and accurate Register of Assets and Investments is kept up to date. The continued existence of tangible assets shown in the Register shall be verified at least annually, possibly in conjunction with a health and safety inspection of assets."

There is no evidence of council completing this in the past – **I recommend a rolling programme is put in place to review the assets.**

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

FR: 2.2. On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chairman shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign the reconciliations and the original bank statements (or similar document) as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the Finance Committee.

The bank reconciliations for all accounts are completed on a monthly basis and are presented to councillors for review. I can confirm monthly reconciliations are properly completed and were signed off in accordance with financial regulations.

I was able to confirm all the balances to the bank statements and found no errors.

Due to the council's budget exceeding €500,000, it does not benefit from any protection form the Financial Services Compensation Scheme (FSCS). However, it is clear the council carefully considers its banking arrangements and has an adopted Investment Strategy as published on its website.

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Section 1 – Annual Governance Statement

	Annual Governance Statement	'Yes' means that this authority	Suggested response based on evidence

11	For Local Councils only - Disclosure note re Trust funds (including charitable)	YES v	NO	

The year-end accounts have been correctly prepared on income and expenditure basis, with a box 7 and 8 reconciliation properly completed.

The variance analysis was required because there were variances greater than 15% and £500. This was properly prepared on a summary table basis showing the financial elements and explanatory narrative.

K. LIMITED ASSURANCE REVIEW

Internal audit requirement

If the authority certified itself as exempt from a limited assurance review in 2021/22, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2021/22 AGAR tick “not covered”)

Audit findings

The council did not certify itself exempt in 2021/22 due to exceeding the income and expenditure limits and this test does not apply.

L: TRANSPARENCY

Internal audit requirement

The authority publishes information on a free to access website/webpage up to date at the time of the internal audit in accordance with any relevant transparency code requirements

Audit findings

The council has income and expenditure in excess of £200,000 and as such is required to follow the “Local Government Transparency Code 2015” which is recommend practice not law. The Code requires local authorities in England to publish the following information quarterly:

Expenditure exceeding £500	
Government Procurement Card transactions	
Procurement information	

Additionally, local authorities are required to publish the following information annually:

Local Authority Land	
Social Housing Assets	
Grants to voluntary, community and social enterprise organisations	
Organisational Chart	
Trade union facility time	
Parking account	
Parking spaces	
Senior salaries	
Constitution	
Pay multiple	
Fraud	

A review of the web site shows the council is in part following this; however, in the spirit of transparency the information could be made easier to locate. **I would recommend the council update the website and I have sign pointed the clerk to a website that shows transparency as best practice.**

<https://www.salisburycitycouncil.gov.uk/your-council/transparency-code>

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS

Internal audit requirement

The authority, during the previous year (2021-22) correctly provided for the period for the exercise of public rights as required by the Accounts and Audit Regulations (evidenced by the notice published on the website and/or authority approved minutes confirming the dates set).

Audit findings

I confirmed that arrangements are in place at this council to ensure proper exercise of public rights. Relevant dates are set out in the table below.

Inspection - Key date	2021/22
Date Inspection Notice Issued	21 June 2022
Inspection period begins	22 June 2022
Inspection period ends	02 August 2022
Correct length	Yes
Common period included?	Yes

I am satisfied the requirements of this control objective were met for 2021/22.

N: PUBLICATION REQUIREMENTS

Internal audit requirement

The authority has complied with the publication requirements for 2021/22. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2022 authorities must publish:

- *Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited*
- *Section 1 - Annual Governance Statement 2021/22, approved and signed, page 4*
- *Section 2 - Accounting Statements 2021/22, approved and signed, page 5*

Not later than 30 September 2022 authorities must publish:

- *Notice of conclusion of audit*
- *Section 3 - External Auditor Report and Certificate*
- *Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.*

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Audit findings

I was able to confirm that the publication requirements for 2021/22 have been met and the Notice of Public Rights and notice of conclusion is published on the council website.

O. TRUSTEESHIP

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Audit findings

The council is the trustee of the Iver Heath recreation ground (charity number 300286), and a review of the Charity Commission website shows that all reporting up to March 2021 is up to date. The financial returns show no income or expenditure for the last five years.

I could not locate any minutes of the council acting as trustee, the council should have at least one meeting per year if only to agree the £Nil accounts and submission of the annual return to the charities commission.

Achievement of control assertions at interim audit date

Based on the tests conducted during the interim audit, our conclusions on the achievement of the internal control objectives are summarised in the table below. A further review and update of this opinion will be conducted at the final audit.

Interim Audit - Points Carried Forward

Financial regulations & governance	<p>I would, recommend that the sample wording below in respect of the receipt of information by electronic means be used and to ensure all councillors are signed up.</p> <p><i>“As per Schedule 12 of the Local Government Act 1972, I consent to the receipt of all council meeting papers by electronic methods. I understand I may withdraw this consent at any time.”</i></p> <p>It was noted the lists of committees for each councillor needs to be updated on the website.</p> <p>I recommend the committee terms of reference document is posted to the policies page of the website.</p> <p>I recommend the agenda is reviewed and the text updated to “summon” councillors to a meeting.</p> <p>I would recommend the total payment being approved be added to the minute wording to prove beyond reasonable doubt the authorised list.</p>	
Reserves	<p>I am of the opinion the general reserve is a little low for a council of this size and that council should review its reserves in the light of its precept requirement.</p> <p>I remind council that earmarked reserves should only be used for genuine projects that have a definable end date and that “generalised” earmarked reserves should be discouraged.</p>	
Payroll	<p>I noted there was evidence of an historic short payment of £885.76 dating back to April 2020.</p> <p>I recommend an exercise is undertaken to reconcile the amounts physically paid, to what was required by the payroll and then what HMRC have on their record.</p>	
PWLB Loans	<p>The closing balance on the AGAR at the 31st March 2022 did not agree to the statement, this should be £581,929. The 2022/23 AGAR comparative balance will need to be restated.</p>	
Assets	<p>The fixed asset register is maintained in AdvantEdge. There was a difference between the hard copy workings, the AdvantEdge system and the AGAR.</p> <p>The asset register will need to be updated to reconcile back to the signed AGAR. This will be checked at the year end.</p> <p>There is no evidence of council completing an annual review of fixed assets per FR – I recommend a rolling programme is put in place to review the existence assets.</p>	

Transparency	<p>A review of the web site shows the council is in part following the regulations; however, in the spirit of transparency the information could be made easier to locate.</p> <p>I would recommend the council update the website and I have sign pointed the clerk to a website that shows transparency as best practice.</p>	
Trusts	<p>I could not locate any minutes of the council acting as trustee, the council should have at least one meeting per year if only to agree the £Nil accounts and submission of the annual return to the charities commission.</p>
