Dear Sir/Madam

**Re: Iver Heath Fields, Land North-West of Denham Road, Iver  
Asset of Community Value - Expiry of five year listing period**

In reference to the asset above, I write to confirm that the listing as an Asset of Community Value is due to expire at the end of the five years listing period on the 28 February 2023 and will then be removed from the Council's List of Assets of Community Value, and its land registry entry updated to reflect this.

Assets may be nominated for Asset of Community Value Status again before or after their previous listing has expired. All nominations will be processed in accordance with the Council's Assets of Community Value Policy and relevant parties will be notified accordingly.

For more information, or to nominate an asset, please visit:
