Briefly describe the project / purpose for which you require a grant.

To coincide with and participate in the Keep Britain Tidy Great British Spring Clean campaign, the three residents associations – IHRA, IVRA and RPRA – are going to undertake a competitive litter pick in their respective areas on Saturday 1st April 2023.

The goal is to collect 100 bags of litter across the Ivers. The challenge is to see which group collects the most bags. At the end of the litter picks, all the participants are gathering together in The Swan public house to hear the result and get refreshments for their hard work. The Swan will lay on sandwiches, tea and coffee, payment for which the grant is required.

How will the project or activities benefit the residents of The Ivers?

Please include estimates of the number of Iver residents that will receive a direct benefit from the project or activities.

A cleaner and tidier outdoor area should result benefitting everyone who lives in the Ivers.

Please provide a breakdown of the costs of your project.

30 people (estimate) X £5 per head for refreshments at the Swan.

I attach a copy of our annual accounts.
