

Dear Friend,

We would hugely appreciate a representative of your organisation at our Planning Workshop in a fortnight's time. It is particularly aimed at Parish Councils and Residents Associations in the regional park. There is much to be gained by sharing local knowledge and experience. We hope to see you there. To explain in more detail...

Consultations for major development proposals invariably test the resources of community organisations, residents, and parishes to respond. Locals feel the process is loaded against them.

Please come to our interactive Event and find out about

- how to respond to large planning applications and Local Authority Plans
- the development threats facing your local Green Belt
- a draft Planning Toolkit to help you

**17.15 - 19.15pm on 9<sup>th</sup> March 2023**

At **Iver Village Hall**, High Street, Iver, **SLO 9NW**

Speakers:

Head of Planning Policy & Compliance, Buckinghamshire Council

Colne Valley Regional Park Managing Agent and Planning Consultant

Representatives of a local Parish Council and Residents Association

Followed by Workshop discussion and feedback.

This event is put on by the Colne Valley Regional Park and made possible by *National Lottery Awards for All Funding* for a '*Positive Planning for the Colne Valley Regional Park*' project.

Find out more and book your place on [Eventbrite here](#).

See more detailed Agenda attached.

Are you...

shocked at the large developments constantly proposed in the Colne Valley Regional Park?

Feeling powerless to get your view across?

Wish you understood more about the planning process?

Wondering what Green Belt Protection Means?

Then our Planning Workshop is for YOU - [Join us on 9<sup>th</sup> March](#).
